Each Pilot Scholarship House is home to 16 to 23 students and is supervised by a house manager who is an upperclassman. The students elect officers each semester to run the houses. In this cooperative living arrangement, residents take turns planning meals, shopping, cooking and cleaning up after the nightly group dinners.

This rent-free housing saves each student approximately \$13,000 each year. The budgeted cost of food and utilities is shared among the residents, with an average house services bill per student of approximately \$950 per semester.

PSHF assists 77 students toward their goal of a college education annually.

The **Florida District Pilot International** established the **Pilot Scholarship House Foundation in 1962**. The newly formed foundation partnered with Southern Scholarship Foundation. SSF handles all student applications and all the daily and yearly maintenance on the houses.

Residents making a home away from home and friends for a lifetime!

PSHF relies on dues paid by all Florida District Pilot Club members, as well as additional donations by Pilot members, Pilot Clubs, friends and businesses through tax-deductible donations. The Pilot Scholarship House Foundation is administered by a 9-member Board of Pilot volunteers.

Contributions of cash or appreciated securities enable the foundation to make immediate use of donations. Memorials and special gifts in honor of others are encouraged and gratefully acknowledged. Planned giving through deferred gifts or specific bequests in a trust, will or other estate plans provide a lasting endowment to the future.
