

Pilot Scholarship House Foundation, Florida District, Inc. (PSHF) provides a “home away from home” for 94 college students. PSHF currently sponsors five scholarship houses at Florida State University, the University of Florida and Florida Gulf Coast University in partnership with Southern Scholarship Foundation, Inc.

Each Pilot Scholarship House is home to 16–23 students and is supervised

by a house manager who is an upperclassman. The residents of each house elect officers to run the houses each semester. In this cooperative-living arrangement, residents take turns planning meals, shopping, cooking and cleaning.

The rent-free housing scholarship saves each student \$13,200 annually. The budgeted cost of food and utilities is shared among the house residents with an average student services bill of \$1,200 per semester.

The Florida District Pilot International established the Pilot Scholarship House Foundation in 1962. PSHF partners with Southern Scholarship Foundation (SSF). SSF handles all student applications, oversight of the houses and residents, and maintenance of the houses. PSHF is administered by a volunteer board of directors comprised of nine Pilot members.

PSHF relies on dues paid by all Florida District Pilot Club members, as well as additional tax-deductible donations.

Contributions of cash or appreciated securities enable the foundation to make immediate use of donations. Memorials and special gifts in honor of others are encouraged and gratefully acknowledged. Planned giving through deferred gifts or specific bequests in a trust, will or other estate plans provide a lasting endowment to the future.
